

COACH'S COCOMMUNE BAR™

chocolate or cherry (dairy free)

The
Exercise
Coach®

Imagine a blend of rich, dark chocolate with a generous amount of moist, creamy coconut filling that provides a taste that will rival even a Mounds® bar! Now imagine that it's good for you and Dairy Free!

Coach's Cocommune Bar™ is an all-natural delight containing ingredients that enhance general immune function and help reduce symptoms of the G.I. tract associated with IBS, IBD, or other intestinal disorders. Coach's Cocommune Bar™ features 7 grams of natural, soluble, prebiotic dietary fiber that naturally stimulates the growth of beneficial bacteria and may positively affect mineral absorption, bowel pH, immune function, and composition of intestinal microbiota.

Go ahead—eat your Coach's Cocommune Bar™ because it tastes so good! Your body will thank you.

Benefits at a glance

- Great dark chocolate and coconut taste, smooth texture
- Excellent snack ~ only 130 calories
- Generous amounts of coconut and coconut oil which provide anti-bacterial and immune-enhancing properties
- 7 grams of natural, soluble, prebiotic fiber per bar
- All natural, gluten free, dairy free, nut free, and Kosher certified
- Lauric acid to aid in the protection of pathogenic bacteria, virus, and parasites in the intestines
