

COACH FUEL™

chocolate or vanilla

Coach Fuel™ is a delicious way to ignite your body's ability to respond to your Exercise Coach® workouts. Besides the great taste, the organic whey protein derived solely from grass fed cattle provides a full range of bio-active, essential, amino acids. It is great to know that this complete protein also contains considerable amounts of the important amino acid glutamine, known for its muscle building, gut healing, and immune boosting properties. Taken post workout, Coach Fuel™ provides your body with the raw materials it needs to build new and improved muscle.

Coach Fuel™ is also a convenient and economical way to achieve lasting weight loss/control through blood sugar and calorie management. Used as a meal replacement, Coach Fuel™ will leave you satisfied while helping combat your craving for sugar.

Benefits at a glance

- Grass-Fed, non-denatured, organic whey free of pesticides and chemicals
- Full range, bio-active, essential amino acid profile
- Exceptional levels of Cysteine which is necessary for the production of glutathione in your cells
- Post workout recovery and repair
- Optimizes muscle building
- Weight management (use as a meal replacement)
- Low sugar (blood sugar management)
- Delicious taste and smooth consistency
